

# EDUCATION FINANCING

## For African Students

“8B is making it possible for high-potential students from Africa to attend some of the best institutions of higher education in the world. Most importantly, they are providing the support and resources to help these students succeed during college and beyond.”

*Dennis Hanno - President Emeritus, Wheaton College*

## WHO WE ARE

8B is a social impact startup providing fair and affordable education loans for African students to study at global universities.

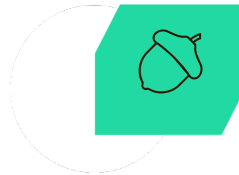

Africa is one of the fastest-growing areas for international students, but financing remains a challenge. 8B works with universities to remove these barriers so you can enroll more students.

## Why 8B

- ✓ \$30m in allocated funds available for African students attending US Universities
- ✓ Robust community of over 200,000 African students, mentors and experts to support their journey
- ✓ Direct connection to African students who have expressed interest in attending top US Universities

## HOW WE PARTNER

We work with you to provide:

### Turn-Key Student Loans

8B offers no co-signer and collateral free loans to African Students attending over 400 institutions.

### University Program

8B can create a bespoke loan program designed to address funding barriers, including Graduate and Undergraduates students.

### Recruiting/Enrollment

Connecting you directly with highly qualified African students looking to learn more about your University
